Forecast for Thursday 30 Jun 2022

Weather: Likely a wet start to the day with heavy and possibly thundery showers persisting for much of the morning. During the afternoon these become less likely with gaps in the cloud more likely, and some sunny spells developing, especially in the west. Still a risk of showers during the evening.

Chance of cloud-free hill tops above 600m: 40% becoming 80% by midday

Low cloud and visibility: Cloud obscuring hills above 500m, mainly during the heaviest showers through the morning. Generally lifting, but some cloud lingering on tops above 700m. Visibility will deteriorate rapidly to become poor in any showers, especially during the morning.
